## ■ What They Do

Barbers, Hairstylists, and Cosmetologists provide **personal grooming, hairstyling, and beauty services to clients**. They cut, color, and style hair, perform skincare and nail treatments, and advise clients on appearance and hygiene. Their work is critical in the beauty, wellness, and personal care industries.

This career is well suited for individuals who enjoy creativity, hands-on work, and interacting directly with clients.

## What Do Barbers, Hairstylists, and Cosmetologists Do?

These professionals provide grooming, beauty, and wellness services, helping clients achieve their desired appearance and maintain personal care.

Common responsibilities include:

- Cutting, trimming, and styling hair according to client preferences
- Applying hair color, highlights, and chemical treatments
- Providing skincare, facials, and makeup services
- Performing manicures, pedicures, and nail care
- Advising clients on hair and skin care routines
- Maintaining clean and sanitary workstations and tools
- Scheduling appointments and managing client records

## Key Areas of Beauty and Personal Care

Professionals may focus on specific services, techniques, or client types:

- Hair Cutting and Styling: Designing and maintaining hairstyles for clients
- Hair Coloring and Chemical Treatments: Applying dyes, perms, or straightening treatments
- Skincare and Makeup: Providing facials, makeup application, and skin treatments
- Nail Care and Manicures/Pedicures: Maintaining nails and providing cosmetic enhancements
- Client Consultation and Education: Recommending products and grooming techniques

## Skills and Abilities Needed

These professionals combine technical, artistic, and interpersonal skills.

### **Core Professional Skills**

### **Personal Qualities That Matter**

## Education and Career Pathway

This role typically requires formal training and licensing:

- Postsecondary Training or Cosmetology School: Courses in hair, skincare, makeup, and nail care
- Apprenticeship or On-the-Job Training: Gaining hands-on experience under supervision
- State Licensure: Required to practice as a barber, hairstylist, or cosmetologist
- Continuing Education: Staying current with trends, techniques, and safety regulations
- Specialty Certifications (optional): Advanced skills in makeup, hair extensions, or skin treatments

## Where Do Barbers, Hairstylists, and Cosmetologists Work?

They are employed in businesses that provide grooming and beauty services:

- Barbershops and Hair Salons
- Spas and Wellness Centers
- Beauty and Cosmetic Studios
- Hotels, Resorts, and Cruise Lines

- Private or Freelance Practice

Work environments include salons, spas, studios, and client homes.

## Is This Career Difficult?

This career requires technical skill, creativity, and strong interpersonal abilities. Professionals must keep up with trends, ensure client satisfaction, and maintain sanitary and safe practices.

## Who Should Consider This Career?

This career may be a strong fit if you:

- Enjoy creative, hands-on work with clients
- Are detail-oriented and precise
- Have strong communication and interpersonal skills
- Can work in fast-paced environments
- Want a career promoting beauty, wellness, and personal care

## How to Prepare Early

- Take courses in cosmetology, beauty, and personal care
- Gain experience through volunteer work or internships in salons or spas
- Develop skills in hair, skincare, makeup, and nail care
- Explore accredited cosmetology or barber programs
- Stay updated on trends, techniques, and industry standards

**Barbers, hairstylists, and cosmetologists enhance clients' appearance and well-being through professional grooming, beauty services, and personal care.**
